Ward 10 Candidate for Alderman

Neglect of the Cedar Hill Community

On November 6th, you will have the chance to cast a vote that can change the way the City treats your neighborhood. You can vote for ALLAN BRISON, an independent Green Party candidate for Alder.

As your alder, I will work with Cedar Hill residents, community leaders, and City officials to end the neglect that this neighborhood has suffered over the past many years.

I will also work to put a stop to the relentless increases in our property taxes – taxes that skyrocket as our City services worsen.

As an independent Alder, I will never forget that an Alder’s main responsibility is to his constituents, not to the Mayor, not to the Democratic Town Committee, not to developers, and not to political power brokers.

CEDAR HILL ISSUES that I will address:

See other side.

CEDAR HILL ISSUES that I will address:

See other side.

New Haven Green Party 

1. Community Policing. We need to bring back community policing. ID-Net has been a failure. We need a sufficient and persistent police presence to keep the drug trafficking off of State Street and out of our neighborhoods.

2. Public Works. Whether it be snow plowing, street sweeping, or garbage pickup, Cedar Hill consistently appears to be the last part of Ward 10 to be served.

Cedar Hill needs to get the same consideration as the rest of the ward. I will fight to make that a reality.

3. Traffic. Many vehicles use our Cedar Hill residential streets as a speedway between Whitney Avenue and State Street. This is inexcusable and must not be allowed to continue.

I will insist that the Traffic and Parking Department put in place proven traffic-calming methods to slow these cars down, making our neighborhood safer.

4. State Street. The commercial window to our residential streets needs a face-lift. The painting of Nino's Grocery is a step in the right direction, but it is not enough. We need a plan to encourage responsible business development, designed primarily to serve the needs of the Cedar Hill community.

Please call if you have other concerns that you feel your alder should be addressing.
